

# #FUELLED BY AMBITION

HOW TO GET YOUR TEAMS THINKING ABOUT WHAT THEIR  
AMBITION LOOKS LIKE...

We want to encourage as many people as possible to share their ambitions.

One way to do this at your workplace or on your site, is to create an

## 'AMBITION BOARD'

### HOW TO CREATE AN AMBITION BOARD

1

Display a large whiteboard, or a board which you can customise with your company and Meat Business Women branding in your workplace

2

At the top of the board write the question 'What does your Ambition Look Like?'

3

Ask team members to write down their ambitions on colourful post-it notes and add them to the board.

**Or create a digital version of the Ambition Board that can be shared on internal channels**

**This is a simple way of understanding the ambitions and priorities of your team members, whilst giving them time and permission to reflect on their goals.**
